TOY DRIVE

INFORMATION

Thank you for being involved in this wonderful holiday giving opportunity & making a difference! Here is some important information & frequently asked questions to guide you through.

When should I run the toy drive?

You're welcome to begin whenever you're ready to promote holiday activities. We find that most toy drives happen **November 1st - December 6th**.

How will people know we're doing a toy drive?

Print and hang the sign we've provided you in a prominent location. You may also include an announcement in internal and external communications. If you need sample language, please contact marketing at marketing@sd youth.org.

What should I use to collect gifts?

We recommend wrapping a large box or container in holiday-themed paper. Attach the provided Toy Drive Box Flyer so gift givers know where their gifts are going.

What range are the children receiving toys?

K through Middle school.

Can you accept gently used gifts & toys?

No, toys must be new and unused.

Should gifts & toys be wrapped?

No, gifts & toys will be wrapped at a later time after they are sorted by age.

When & where do I deliver gifts?

Plan to deliver gifts on **Wednesday, December 11th, 2024** between **8:00am-12:00pm**. More information on how to sign up for a drop-off window will be emailed.

Address: **Clairemont Branch - 4635 Clairemont Mesa Blvd., San Diego, CA 92117**

What if I need more information?
